Dear parent/guardian,

Frankston East Primary School is looking forward to another great year of teaching and learning and would like to advise you of Frankston East Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

In 2023, the school will use Equity Funding received by the Government to support all families within the school by covering the cost of the Essential Student Learning Items. **Therefore, there will be no charge to students for the Student Booklist.**

For further information on the Department's Parent Payments Policy please see a one-page overview at the end of this document.

Yours sincerely,

Brian McFall

Principal

Financial Support for Families

Frankston East Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- eligible families are able to apply for the Camps, Sports and Excursions Fund (CSEF) that can be used to cover payments for Camps, Excursions and Incursions.
- our onsite Uniform Shop offers low cost uniform options and has a selection of second hand uniform items available for sale.
- State Schools Relief may cover the cost of new school uniforms, shoes, books and more for disadvantaged students. State Schools' Relief only responds to requests from school principals, assistant principals or welfare coordinators. Parents or Carers who are struggling need to make an appointment with Student Wellbeing Manger (Barb Heeney) to discuss their situation.
- Local community supports – School Council has funded the Low Income Family Assistance (LIFA) Program with the Equity Funding received from the Government. All families will be provided access to this in 2023 to cover the cost of the Student Booklist and the majority of school incursions and excursions.

Payment methods

Payments can be made to the school by cash, EFTPOS or eligible families can access their CSEF funds for certain items. Parents that would like to pay by instalments can contact either the Principal (Brian McFall) or Student Wellbeing Manager (Barb Heeney) to arrange for a payment plan to be put into place.

Refunds

Frankston East Primary School will consider requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account the individual circumstances. Generally the school will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school.
