3:15 – 3:45pm

Every Day Counts
Student Attendance
last week

Percentage of students at school 94.4%
Percentage of students on time 93.5%
School Choir

Dig out your Metal t-shirts, grab your sequinned white glove, dust off your blue suede shoes and mark your calendar for “A Day in May” on Thursday 26th May. For a gold coin donation, all students are invited to come to school dressed as their favourite Rock Star, Singer, Band member or even just a music fan and all funds raised will go towards Challenge’s Musical Moments Trust.

Mr McFall and the PFA will be holding a disco in the school hall during the morning and FEPS Harmony and our school band will be performing in the afternoon. It will be a fun day filled with music & dancing, so start thinking about your dress up ideas and help our school make a difference to the lives of Aussie children living with cancer. For more information visit www.challenge.org.au

We would also like to congratulate the following choir members on receiving their attendance awards for 5 lessons; Iysis P., Keira K., Phoenix P., Sam K. & Bethany W.

Until next time........FEPS Harmony

Happy Birthday

May 4th  Summer D.  PM
May 8th  Dekota H.-W.  5/6O

HAVE FUN AND SUPPORT MUSIC OPPORTUNITIES FOR KIDS WITH CANCER!
On Thursday 26th May, our school can help make a difference to the lives of Aussie children and families living with cancer by holding ‘A Day in May’

Come to school dressed as your favourite ROCKSTAR, singer or band member, in return for a gold coin donation.

All funds raised go towards Challenge’s Musical Moments Trust.

Parents & Friends Association

Mother’s Day is approaching very fast and we would like your help with Donations for our Mother’s Day Raffle. Donations can be left at the school office. We would appreciate your help with this fundraiser.

Thank You
P.F.A.
**Maths Share**

**Target practice**

**NUMBER**

U84

You will need
packet of cards
pencil, paper and a calculator

**What to do**

Shuffle the cards and deal four cards to each member of your family who is playing.

Cards are face value except
Ace = 1, Jack = 11, Queen = 12, King = 13.

Take it in turns to play. Your task is to hit the three target numbers (15, 48 and 100) exactly.

You don’t have to use all four cards to make up each number. You can add, subtract, multiply and divide as much as you like. The cards can be shuffled at the end of each game.

Score 10 for each direct hit, 2 for being within 5 points of the target number.

**WHERE’S THE MATH?**

Estimation, addition, subtraction, multiplication, division.

**10 tips from a dietitian**

Dietitians are more than just weight loss experts. They are university trained in a number of nutrition and health related topics in order to assist people to improve their overall health and wellbeing.

Dr Michael Carr-Gregg is a dietitian at Peninsula Health. He helps people with a number of diet-related problems and has the following 10 tips for healthy eating:

1. Drink plenty of water and avoid sugary drinks.
2. Make sure you have two pieces of fruit every day.
3. Never skip breakfast. It’s the most important meal of the day.
5. Have five serves of vegetables every day.
6. Don’t eat while watching TV. Your brain can forget to tell your body that you’re full.
7. Prepare meals yourself and limit takeaway and ready-made meals.
8. Try new foods and different healthy recipes; you might find a new favourite meal!
9. Wait 5-10 minutes after eating before you decide if you want a second helping.
10. Get your family members involved with cooking and planning healthy meals.

You can make an appointment to see Richard or another Peninsula Health dietitian by calling 1200/605/781.

Appointments are free for those with a health-care or pension card and low cost for others.

More information about healthy eating can be found at http://dietitian.com.au/
Native Gardening for Wildlife
