Dear Parents & Friends,

Welcome back everyone. We are looking forward to an exciting and busy Term 4.

5/6 Camp
On our first day back at school I watched a very excited group of children heading off to the 5/6 camp at Oasis. Mr McFall who is back from his Long Service Leave was walking around the school saying a quick hello to the children before he set off again, this time on the 5/6 Camp.

Hat Time
Don’t forget that it is compulsory for all children to wear a sun smart. The hats must be either a navy broad brim hat or a navy surf style hat. Please check that your child’s hat is clearly named so that it can be returned to its rightful owner if it is misplaced. As part of our School’s Sun Smart policy, children without a hat will play in the sun shelter area and may not be able to participate in sporting activities.

Annual School Photos
Our school photos for this year will be next Wednesday, October 14th. In the last week of Term 3 children brought home an ordering form and information for individual photos. With family groups, parents should also have a family photo order. All orders and payment should be returned to school prior to the day.

Have a great week everybody and take care.

You will need
your family’s list of telephone numbers
randomly selected pages torn from an old telephone directory that is no longer used

What to do
Two or more people have a competition, taking it in turns to say some phone numbers they remember. Each person has to write and say the number as if it was a counting number.
For example, write 486 5881 as 4 885 881 and say ‘four million eight hundred and eighty-five thousand, eight hundred and eighty-one’.
On their page from the telephone directory each person finds and says:
• the largest number
• the smallest number
• the difference.
The person who finds the greatest difference is the winner.
• the longest surname
• the shortest surname
• the difference between these surname lengths.
The person who finds the greatest difference is the winner.
