REMEMBER

Immunisation Records

Due to the recent outbreak of Measles in some schools we need to have a record of your child’s immunisation status.

As part of DEECD’s official documentation for school entry, your child must have a school entry immunisation status certificate. This is a legal requirement and is to assist health authorities in protecting children in the event of a vaccine preventable disease occurrence in school.

This is a reminder to those families who have been contacted but have not as yet provided the school with the necessary documentation required by the Department of Education and Early Childhood Development.

If you have lost a school entry immunisation status certificate please ring 1800 653 809 to obtain another copy. Alternatively contact your GP, local council immunisation service or Medibank.

Thanking you for your cooperation.
