Dear Parent/Guardians,

Just a quick note to let you know Mrs Stanszus will be on Long Service leave from the end of this week until the 13th of October. Mr Adrian Rolfe will be taking PE and Science for the duration of Mrs Stanszus' leave.

We had a great Book Character Parade yesterday and we will publish some photos in the newsletter next week. You can watch a video of the parade on FEPStv.

Maths Share

You will need
street directory (or map of your local area if you live in the country)

What to do
Find the area in which you live in the directory.
Locate your street, school, local shops and where a
friend lives. If you live in the country you may like to
choose other local landmarks.
Find the route from one place to another. Consider
which route is the quickest, shortest and safest way.

Something extra
What is the grid reference of each of these places?

WHERE’S THE MATHS?
Mapping skills.
Peninsula Health Children's Services

Peninsula Health Children's Services are for children with mild – moderate delays who live in Frankston or the Mornington Peninsula. The Children Services Team support children getting to their full potential by providing developmentally appropriate activities and strategies. They are part of broader services at Community Health for the whole community.

Services include:
- Speech Pathology – For children up until entry to school
- Physiotherapy – For children with developmental issues up until entry to school. For other issues, all ages can access.
- Occupational Therapy – For developmental issues up until to prep
- Psychology/Counselling
- Podiatry – All ages
- Dietetics – All ages
- Audiology – 6 months – 18 years

Children are eligible for services if they demonstrate concerns in one or more of the following areas of their development:
- Communication
- Gross motor
- Social, emotional or behaviour
- Sensory Processing
- Fine motor Skills
- Foot or leg
- Dietary
- Hearing

To book an appointment with the Peninsula Health Children's Services, phone 1300 665 781.
